- ❖ **This video details the origins of cuneiform, along with its many uses. It also provides an example of different sounds from the Babylonian Empire adapted to cuneiform.**

Book Sources:

Brown, Dale M. *Mesopotamia: The Mighty Kings*. Alexandria, VA: Time-Life, 1996. Print. *Lost Civilizations*.

- ❖ **This book provides information on the various empires present throughout Mesopotamia's history. Hammurabi's reign and unification of the region, along with several early law codes, are discussed in depth.**

Bulliet, Richard W., Crossley, Headrick, Hirsch, Johnson, and Northrup. *The Earth and Its People: A Global History*. Boston, MA: Cengage Wadsworth, 2011. Print.

- ❖ **This book, which incidentally happens to be our world history textbook, provides an early history of Mesopotamia, including the rise and fall of several major empires. In the beginning of the book especially, the dominance of the Old Babylonian Empire and Neo-Babylonian Empire, along with the rule of Hammurabi and the creation of his law code, is asserted. The influence of other major civilizations is also discussed in detail.**

Hunter, Erica C. D. *Ancient Mesopotamia*. New York: Chelsea House, 2007. Print.

- ❖ **This book illustrates the daily lives of ancient Mesopotamian peoples, including Hammurabi's Babylonians. With this story, our group was able to look inside the daily lives of the citizens of this great empire.**

Kriwaczek, Paul. *Babylon: Mesopotamia and the Birth of Civilization*. New York: Thomas Dunne /St. Martin's, 2012. Print.

- ❖ **This book chronicles the history of Mesopotamia from the Sumerians to the Persians. More importantly, the book describes virtually everything regarding the Old Babylonian period, including the location of Babylon, a summary of Hammurabi's life, his conquests and death, and the ultimate fate of the city.**

Landau, Elaine. *The Babylonians*. Brookfield, CT: Millbrook, 1997. Print.

- ❖ **This book contains numerous maps, pictures, and diagrams regarding Babylonian life. At the end is a timeline which summarizes the major events that happened during the empire's existence. The Code of Hammurabi, along with Hammurabi's reign and the fall of the empire are discussed in great detail in this book.**

Mieroop, Marc Van De. *King Hammurabi of Babylon: A Biography*. 1st ed. Malden, MA: Blackwell, 2004. Print.

- ❖ **This comprehensive historical record contains numerous details on the life of King Hammurabi. It discusses his conquests, the legacy of his legal code, and other aspects of his life and accomplishments. This nonfiction book is especially useful as it is the first comprehensive English biography of King Hammurabi.**

Nardo, Don. *Empires of Mesopotamia*. San Diego, CA: Lucent, 2000. Print. Lost Civilizations.

- ❖ **This book incorporates information from a wide variety of sources, such as the comments of notable historians, in order to effectively communicate the history of the empires of Mesopotamia. In regards to Babylon, the life of Hammurabi and the development of the empire are explained. Furthermore, in the back of the book, additional sources of information are listed, and we used some of these in order to more effectively create our website.**

Saggs, H.W.F. *Babylonians*. Norman: University of California, 2000. Print. Peoples of the Past.

- ❖ **This volume is packed with information about life in the Babylonian Empire. Some of the topics that this book discusses include the development of the empire, technological advancements, and its legacy.**

Schomp, Virginia. *Ancient Mesopotamia: The Sumerians, Babylonians, and Assyrians*. New York: Franklin Watts, 2004. Print.

- ❖ **This book focuses on the major aspects of the various empires in Mesopotamia, including the lives of the commoners and the rise of each kingdom. Furthermore, a brief summary of each of the major empires present in Mesopotamia is provided in this book.**
